We are always needing volunteers to help with children's sermons, classes, VBS week, and other special events.

We would love your input of time with the children, or even just your fresh, new ideas!

*There is nothing more rewarding than seeing a child's face when someone does something nice for them!
- Your child will love that you shared your time with them, and you will be awed at how they will touch your heart!*

*Thank you for sharing your child with us at PCUMC!
