We might even have a special guest! ☺ Cost is FREE, so bring a friend. See you there! Please RSVP to patti.dioosi@verizon.net so we can be prepared for your group. Thanks!

Christmas Eve Play Practices We had many children come to our first play practice on Sunday, November 13th. If your child would like to be involved in the Christmas Eve Family Service Children's Play, please come to the remaining (3) play practices:

Sunday, Dec 4th, 11:30 until 12:30? - Practice roles, etc.

Wednesday, Dec 21st, 4-5pm - Practice roles with props

Friday, Dec 23rd, 4-5pm - Practice roles with props & costumes

We also need parent help with preparing the props & decorations, child control on Christmas Eve, and handing out costumes on Christmas Eve. For further information, please contact Tina Cash @ tcashfl@yahoo.com Thank you!

TURKEY TROT / Migrant Mission - Many families came to the Coleman track on Thanksgiving morning and shared some fun fellowship, pre-meal exercise, and dropped off lots of items for the **Migrant Farm Workers**. We will be delivering these donations early this month.

Sunday Stretch - Coleman Track

The Thanksgiving morning **Turkey Trot** also kicked off the "**Going the Distance For God**" training. Each Sunday after Thanksgiving until late February, children and parents meet on the Coleman track to train for the Gasparilla 5K walk/run race. These **Sunday Stretch** late afternoons are also open to all! (*Meet about 5:30*) This is a healthy way for families to bond away from our church campus! ☺ If you want to know more, contact Andy Hafer at andy@hafer.com or Lynn Peate at thepeates@verizon.net - They can tell you what it's all about!
